Robyn,

Sent Paul's copy but according to MDNR it was an incomplete file. So her is the complete one.

Thanks,

Brad,

I have seen this report before, however the copy provided by Paul seems to be incomplete. Please see the attached copy from our files.

Shawn,

Just passing along something Paul recently sent me. Haven't read it yet but did pass to USACE for their review.

Brad,

Attached is the NRC inspection report that contains the trucking invoices that provide the basis for the July – October 1973 time frame for placement of the soil mixed with LBSR at the West Lake Landfill. Please share this with Robyn relative to our discussions last week. Thanks.
